FRONT END DEVELOPER

Front End Developer specialized in React.js and Next.js with experience building scalable, accessible, and performance-oriented web applications. Contributed to frontend architecture, reusable component systems, and API integrations during internship at InflightIT. Strong focus on clean code, UI/UX best practices, and performance optimization. Passionate about digital accessibility and continuous improvement. Seeking opportunities in international and remote-first teams.

TECHNICAL SUMMARY

Programming languages: JavaScript, TypeScript

Frontend: React.js, Next.js, React Native, HTML5, CSS3, Tailwind CSS, Styled Components, Material UI

Backend & APIs: Node.js, RESTful APIs, Strapi

Databases: MySQL, PostgreSQL, MongoDB

Tools & Platforms: Git, GitHub Actions, Docker, Postman, Figma, Jira, VS Code

Methodologies: Agile, Scrum

PROFESSIONAL EXPERIENCE

InflightIT – Remote

Front End Developer Intern

Feb 2025 – Jul 2025

- Developed and maintained production-ready frontend features using React.js, Next.js, and Material UI (MUI).
- Built reusable and scalable UI components aligned with design system specifications in Figma.
- Integrated RESTful APIs and collaborated with backend developers for seamless data handling.
- Improved application performance and accessibility following Lighthouse and WCAG best practices.
- Participated in sprint planning, code reviews, and agile ceremonies within a cross-functional team (3 developers + 1 designer).
- Contributed to performance optimization initiatives, dedicating 60% of time to accessibility and performance improvements and 40% to new feature development.

Technologies used: React.js, Next.js, Node.js, REST APIs, Git, Jira, Figma.

Sales & Customer Service Assistant

2021 – 2023

- Delivered in-person customer service and personalized product consulting.
- Explained technical specifications of optical lenses and frames to support purchasing decisions.
- Managed orders, inventory control, and appointment scheduling.
- Supported administrative operations and record management.

(Experience demonstrates communication skills, client interaction, and problem-solving abilities.)

EDUCATION / PROFESSIONAL DEVELOPMENT

- **Colégio Gama e Souza** – Rio de Janeiro, Brazil
- **Instituto Politécnico do Cávado e do Ave (IPCA)** – Famalicão, Portugal Bachelor's Degree in Web and Multimedia Development
- Intermediate React.js and Next.js
- Git and Github Essential for Developers
- JavaScript and TypeScript from Basics to intermediate

Additional Training

- Intermediate React.js and Next.js
- Git & GitHub for Developers
- JavaScript and TypeScript (Intermediate Level)
- English – Intermediate (B1)
- Portuguese – Native
